

SANDY FIRE DEPARTMENT'S PUPPET SHOW

...has been modified...

UDOT is widening 9000 South and as a result we will be left without a parking lot until next year!

In lieu of our regularly scheduled puppet shows, we will come to you with a fun fire safety program!

****Note:** due to jurisdiction restrictions, we can *only* visit preschools, daycares, joy schools or homes located in Sandy City.**

Have our fire prevention team come to you with our fun safety program and the fire engine!

M, W, TH times
Sept-May available

Our presentations last approx. 40 minutes and include seeing the fire engine!

*We fill up quickly!
Reserve your time slot now*

Call 801-568-2944
or email
prevention@sandy.utah.gov
to schedule your visit!
